Runnable image, 24mb. The look, feel and operation of LogixPro's ladder rung view, PLC Panel, Platform and PCB are as close to reality

# Download

The Logixpro 500 has a built-in PCI-Express expansion slot for attaching an external monitor for use when using the simulator. However it is not a must, not all Logixpro 500 models have such slots and some may not have the ability to output video to a monitor at all. Graphic Cards, Logixpro 500, Pci Expansion Slot Here are the estimated values of the items in this collection according to your interests. Click on an item to learn more.
